Keeping, Lectures & Penmanohip, invariably in

THE Proprietors take great pleasure in expressing their thanks for the gratifying at d ut precedentes uccess which have marked the career of their Institution since its establishment at the Capital, and stings lates them to renewed exerts he to acet, in the most efficient manner, the rapidly increasing deficient defect a practical and comprehensive course of mercantile training. The great practical experence of the Prin cipal, in heavy Bucking and Commercial Houses, ansisted by characterind accomplished gentlemen has enabled him to bring to a degree of perfection a system of counting room lastruction, by oral excremes nation of School teachers during the year 1857, on not attained by any other matter of School teachers during the year 1857, on the following days, namely: On the third Wedness by this new process, is drilled at the deak, included the following days, namely: On the third Wedness by this new process, is drilled at the deak, included the following days, namely: On the third Wedness by this new process, is drilled at the deak, included the following days, namely: On the third Wedness by this new process, is drilled at the deak, included the following days, namely: On the third Wedness by this new process, is drilled at the deak, included the following days, namely: On the third Wedness by this new process, is drilled at the deak, included the following days, namely: lay in February, April, June, August, October, and
December. The meetings will be held in one of the rountile of an Accourant's duties as there ughly as public school btures in Carrollton, communcing at 10 chock, forenoon. The standing rules of the Board regulating examiling and engregious blunders are, in a great mesoure

In addition to our engagement of accemplished As the Board, must produce a certificate of good moral sistents, we have also retriectle services of some or character, of late date, and signed by one or more re the most emirant lectures a Ohio to lecture on comsercial topics.

Our course of instruction is too caterded to partieularize here, but it embraces every thing consected with double entry lock keeping, with free and full direction of his Ecientific I the ciples - I counter up n commercial History, and History of Engineer Commercial Men, Conmercial Geography, Connercial Products, Commercial Calculations, Political Economy Marcantile, Law, Ethics of Trude, Pastrership, &c.
THE LADIES' DEPARTMENT

Is now open for the reception of Ladies. No institu-

ng course in this Department.

In conclusion, we would add, that we shall puriforth par best efforts to werit in a still more eminent degree, the flattering reception with which our enterprise met, and pledge ourrelves to imparts more il orough, practical course of Mercantile Instruction that can be remed at any other similar Marcantile Cellege.

Among the many recommedations, we give the joi-

lowing: "We, the undersigned, take pleasure in testifying that we are personally acquainted with Mr. Grangers ability as an Accountant, and teacher of Book keeping, which is of the highest order. He has bail great experience as an Accountant, in heavy Connected at d Banking Houses, which gives him superior faculties in mparing a practical knowledge of Ecok keeping, and

a thorough Commercial Education.

I. J. Al'LEN, L. L. D. President of Farmers' College, LORIN ANDREHS, President of Renyon College,

To young men who wish to acquire a "business Education," we think it affords facilities reldem equaled, Wr. Granger has the rare qualification of theoretical nowledge and aptness in teaching, added to pareties ! ounting Room experience, and we had confident that adoutes from his College will be fully competent to et the nest complicated set of Bocks.
